This file does not contain the original pattern, it is a high quality scanned version in PDF format based on the original pattern. Since some original patterns were not found in good quality, it is possible that the digital pattern contains some variation in color, outline, or shape. If you want to make sure when carrying out the work, in the same way as the original pattern, please purchase the original pattern. These digital patterns are made in order to be able to use them comfortably in tablets, applications and to preserve old patterns in poor condition
